Floor Area Worksheet

Team: $\qquad$ Block: $\qquad$
House Design: $\qquad$
Using the same method we used for the Cape House, compute the floor areas for each separate area of your Dream House. Attach a set of color-coded drawings that show the boundaries of each room or area you identify.

Floor 1
Scale: $\qquad$ cm OTD = $\qquad$ ft IRL

| Room or <br> Area | On drawings (cm) |  | In Real Life (ft) |  |  |
